

## ANNOUNCEMENT

### MILITARY SURGEONS MEETING

OCT. 29–NOV. 1, BROWN HOTEL, LOUISVILLE, KY.

Among the many medical meetings of this year, one of the most timely and interesting is that of The Association of Military Surgeons of the United States to be held Oct. 29–Nov. 1 at the Brown Hotel, Louisville, Ky.

All members of the medical profession are invited to attend as guests and it is particularly hoped that as many members of the Medical Defense Committees as possible will come.

War medicine and surgery has changed considerably since the previous emergency. Mechanization of armies and air bombardments have created new and difficult problems in traumatic surgery and methods of treatments of wounds and extreme abrasions.

For every member of the profession who can be present at this meeting there will be something of special interest.

The session concludes with a mass review of Military Medicine and an inspection of Fort Knox.

Through the Chairman of the Program Committee for the Louisville meeting, Major General Charles R. Reynolds, it is possible to give a preliminary tentative program of professional sessions of that meeting. Arrangement of a schedule of papers has not yet been made. The following is a tentative list of the speakers of the meeting, with titles as far as they have been announced:
